ACTIVE SAFETY FEATURE

Placer comes as a 14 seater high roof van. as well as a low roof panel or semi - panel van.

Utilizing the Japanese Turbo Euro II engine technology, this practical and economical van also has high fuel efficiency.

Furthermore, the 14 seater window van comes with safety active features which include ABS+EBD and reverse camera with sensor.

Placer panel and semi - panel vans have a gear ratio of 4.55, which gives bigger torque and hence is more powerful and able to support higher load when going uphill.
